Student School Supply List

Please write your child(ren)'s name on ALL school supplies

This year, we are collecting \$40.00 per student for school supplies. This will buy all items needed by students for the school year, including paper, notebooks, pencils, glue, tape, pencil crayons, paint rulers, erasers, etc. The school will purchase these items for each class and distribute as needed. Please send this amount to the office before the end of September 2013. Please make cheques payable to Salmo Elementary School. Thank you in advance!

Gym Runners: All students at Salmo Elementary are required to have **NON-MARKING** indoor shoes for gym and classroom use only. If your child can not tie, please send Velcro fastened runners.

Please write your child(ren)'s name on ALL items.
