

# Salmo Elementary School PAC Report

February 2023

A wide-angle photograph of a snowy ski slope. In the foreground, a young girl in a pink jacket and pants is on skis, looking towards the camera. To her right, another person is lying on the snow. In the background, many other people are scattered across the slope, some on skis and some sitting. The sky is blue with scattered white clouds. The mountains in the distance are covered in snow and evergreen trees. A yellow rectangular box is overlaid on the lower-left side of the image, containing the word "Highlights" in black text.

# Highlights

# Winter Activities

**Skating**

**XC Skiing**

**Curling**

**Downhill ski**

# February Multi-Age Activity - Love

This month, we have been focusing on the seven sacred teaching of LOVE. We have learned about the Eagle and how it represents love. Students have been having conversations about how to love ourselves and love others. Kindness, gentleness, co-operation, gratitude and loyalty all flow out of love.

As part of our activities this month, students have had the opportunity to write notes of encouragement to all our staff members. Our front bulletin board has been a busy place for this! Our multi-age activity focused on love and how we can spread kindness to others. Students made hearts out of pipe cleaners and yarn to be distributed in the neighbourhood to spread cheer.

# Nelson Youth Soccer

Salmo students are learning to be pros at soccer! Thanks to the Nelson Youth Soccer Association, we are enjoying weekly lessons in the gym. Students are learning various types of ball skills, passing skills, travelling skills and more. Small games and drills are helping them grow in their confidence and skill in the game.

# Volleyball fun!

A great time was had by all during our students vs. staff volleyball game! Most students came out at lunch time to cheer on their favourite team. There was cheering, signs, and lots of encouragement from the spectators. Our student volleyball team played hard and really challenged the teachers! In the end, it was a tie, and we look forward to a re-match soon!

## Other activities this month...

**Report Cards** - Formal report cards were sent home the end of January.

**Valentine's Day** - Feb. 14 was celebrated by all classes with sharing of cards and gifts

**Fostering Literacy** - Many thanks to our community tutors who are here weekly to read with students

**Lunch clubs** -Creativity club, volleyball, basketball and choir are all well attended!

**February Play in the K** - 13 students attended

**Lots of outdoor play and learning!**

# Looking forward and coming up...

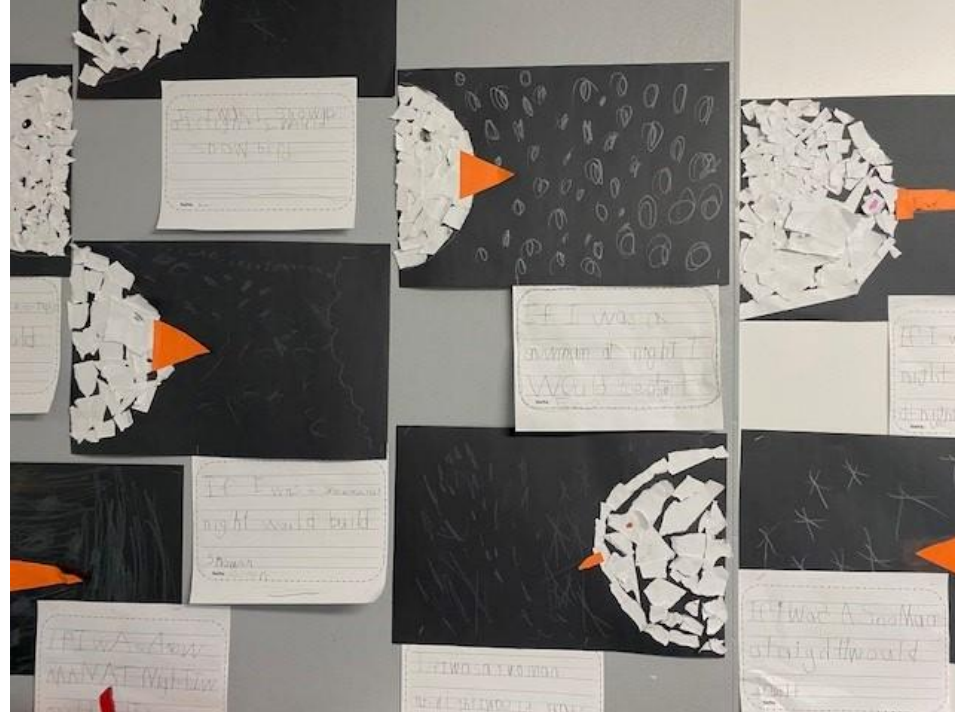

**February/March** - Winter activities (XC skiing, skating, downhill skiing)

## Kindergarten Registration

**Feb. 22** - Pink Shirt Day/Salmo vs Fruitvale volleyball

**March** - Love (con't)

**March Assembly** - Performance

# How you can partner with us

**Cross Country Ski  
Program**

**Downhill subsidy**

Thank you!!
